Documents you may receive

Where additional personal advice is required a full Statement of Advice may not be required.

On an ongoing basis, a Record of Advice (ROA) will be provided instead of an SOA if there have been no significant changes in your personal circumstances or the basis of the advice has not significantly changed since your last SOA was provided. You have the right to request a copy of your ROA at any time.

We will keep a record of any personal advice provided to you for 7 years and you may request a copy of such records by contacting our office.

We will provide you with a Product Disclosure Statement (PDS) or Investor Directed Portfolio Service (IDPS) guide if we recommend or arrange a financial product for you. You should read these documents carefully before making any decision relating to a financial strategy or product as they contain key information regarding fees, benefits and risks among other information.
